Prairie Christian Academy (PCA) welcomes international students to their Christian centered academic and curricular program. ESL programming is provided to students through one on one support for language acquisition and homework support. Extra tutoring is available to all students by classroom teachers after class. Residence students have access to the peer tutor network in the residence in the evenings. Private tutoring can also be arranged for a fee. The school counselor, admissions clerk and residence staff work together to aid with post secondary choices and applications. The Principal coordinates timetables with all students. International students attending PCA are quickly integrated into the school through the friends they make in the residence program. There are opportunities to connect with local students. International students host a food fair at the school to share their culture. In the past, International Education Week has been celebrated with a sushi dinner in Calgary. Residence trips to Banff, Calgary and Edmonton are arranged to promote social development.
